Široká 31
040 06 Košice - Kavečany
Slovakia

TERMS AND CONDITIONS

1. The receiving institution will provide the appropriate housing, diet, veterinary care and anything that will be necessary for the well-being of the animals.
2. The animals will not be transferred outside the receiving institution without first obtaining permission from the loaning institution.
3. The loaning institution will be notified within 30 days of the death of the animals. The receiving institution will provide a detailed necropsy report for the loaning institution.
4. The loaning institution will be free of any responsibility for personal injury or property damage caused by the animals.
5. All transportation expenses incurred in shipping the animals to the receiving institution will be borne by the receiving institution.
6. This agreement will remain in effect until death of the animals or until cancelled.
7. The receiving institution will provide the loaning institution with yearly reports on status of the animals.
8. This agreement can be cancelled by both the loaning and the receiving institution, by a written notice, at least 90 days prior to the effective date of the proposed cancellation. Afterwards the animals must be returned to the loaning institution. All transportation expenses will be borne by the institution cancelling the agreement.
